

AMBATOVY
MINERAL RESOURCES
INVESTMENT

OUR PURPOSE

To strengthen Ambatovy's performance, create lasting value, and contribute to a more sustainable future for all stakeholders.

OUR APPROACH

-  Operational Rigour
-  Sustainability Leadership
-  Responsible Stewardship
-  Long-Term Value Creation

STRENGTHENING AMBATOVY

FOR A SUSTAINABLE FUTURE

We bring operational rigour, financial strength, and long-term commitment to unlock value, drive sustainability, and contribute to Madagascar's sustainable development

EXPERIENCE

Backed by more than 25 years of HPAL operating expertise, AMRI's leadership team has managed complex laterite operations across the world

BEST PRACTICE

AMRI applies international operational standards focused on reliability, safety, cost efficiency, and long-term asset performance.

DISCIPLINE

AMRI drives disciplined operational management through data-led decision making, rigorous governance, and continuous performance improvement.

WHO WE ARE

Ambatovy Mineral Resources Investment (AMRI) is the majority shareholder of Ambatovy. The consortium is led by **Essenwood Partners** and **Zungu Investment Company**.

AMRI brings together operational expertise, investment capability, and long-term commitment to support Ambatovy's sustainable growth and future success.

A STRATEGIC PARTNERSHIP FOR GROWTH

WHAT WE DO

AMRI is focused on strengthening Ambatovy's operational performance, long-term sustainability, and contribution to Madagascar's economic development.

We are committed to:

SAFE & RELIABLE OPERATIONS

Maintaining world-class safety standards and operational reliability.

OPERATIONAL RIGOUR

Driving production stability and operational efficiency through continuous improvement.

ENVIRONMENTAL STEWARDSHIP

Minimizing environmental impact and advancing climate and biodiversity commitments.

PEOPLE & COMMUNITY

Investing in our people and partnering with communities for shared, lasting impact.

VALUE CREATION

Delivering long-term value for shareholders, employees, partners, and Madagascar.
